

Virtual rehearsal material will be made available for all CYSO students. It is important to offer families options and variety during these challenging times. Our virtual menu will include Improvisation workshop, High School All-State masterclasses, Instrumental fundamentals workshop and more. Please go to the Guest Artists tab on our website to see some of the artists providing virtual instruction. The fall semester will be based on reading varied music weekly in a safe and fun community. Rehearsing 1 hour in small groups is the safest youth orchestra model.
