MEMBER HANDBOOK

Welcome to CYSO! Your agreement to join us is a commitment to your conductors, the organization, your colleagues in the orchestra and the music you will prepare throughout the year.

ABOUT CYSO

The CYSO was founded in 1984 by the University of Denver to provide an orchestral musical experience for children and young people. We have grown from two small groups to four ensembles consisting of 115 musicians. Virtually everyone can find a place in CYSO. For the past 17 years, CYSO has extended educational outreach programs to underserved public schools in Denver, Aurora, and Adams County. CYSO is a non-profit organization.

OUR MISSION

CYSO provides access to musical understanding, fostering social growth, self-esteem, and a lifelong love of music for all aspiring musicians.

OUR GOALS

To develop musical skills and literacy while learning a sense of ensemble.

To emphasize social and emotional growth appropriate to the students' age levels by focusing on group cooperation rather than individual competition.

To include youth of all ability levels and varied social and economic backgrounds from the Denver metropolitan area.

To support and enhance school instrumental music programs by requiring CYSO members' participation in such programs where they exist.

To advocate the creation of instrumental music programs where they do not exist.

To bring to CYSO participants an understanding and appreciation of fine orchestral literature consistent with the age and skill levels of the different ensembles.

CYSO REHEARSALS

ALL REHEARSALS ARE HELD ON MONDAY NIGHTS

Rehearsal Location: Colorado's Finest High School of Choice
300 W Chenango Ave
Englewood, CO 80110

The orchestral program involves students of all ages and musical abilities. The ensemble programs include students from beginners to more advanced musicians.

DEBUT STRING ENSEMBLE

Holli Young

In the Debut Orchestra, students learn the fundamentals of playing in an ensemble and receive personalized attention on proper instrument position and posture. Young musicians are nurtured and challenged while they are introduced to vibrato, a variety of bowing techniques, and positions. Students will learn very fun and inspiring string orchestra music.

PHILHARMONIA

Alex Vittal

This group introduces wind instruments into a string ensemble. Students work on full orchestra repertoire as well as strings-only compositions. This is an excellent starting point for full orchestra experience.

SYMPHONY

Angie Dombrowski

A full symphony orchestra composed of our most skilled musicians. The Symphony works on the most advanced orchestra literature available.

WIND ENSEMBLE

Dr. Grant Larson

Winds and brass from both the Philharmonia and the Symphony combine each week for a one-hour rehearsal from 7:30-8:30. Fundamentals of winds and brass playing are emphasized in this wind ensemble.

SPECTRUM STRING ENSEMBLE

Angie Dombrowski

This small conductor-less ensemble includes some of the most advanced players from our Symphony orchestra and is coached by Angie Dombrowski. The group performs frequently in locations including the lobbies for Colorado Ballet, Colorado Symphony, Opera Colorado, as well as the State Capitol, art galleries, and other locations. In 2019 the SPECTRUM String Ensemble traveled to Prague and participated in the Prague Multicultural Music Festival. Students learn and perform a large range of repertoire such as Grieg's Holberg Suite, Mozart Divertimento, K. 136, and Nielsen's Suite for Strings. Rehearsals are scheduled generally once a month, often on Sunday nights.

All students are responsible for setting up their chair and stand and putting them away after rehearsal!

DONATIONS

Ticket sales and dues pay only a small portion of the cost it takes to run CYSO. Donations from members, their families and friends, or their businesses or companies and the public play a major role in keeping CYSO stable. All donations are tax-deductible. **WE NEED AND WELCOME YOUR DONATIONS!** PLEASE MAKE YOUR DONATION ONLINE AT:

BEHAVIORAL CONDUCT

It is the goal of CYSO to create an atmosphere in which student musicians can thrive and further develop their training and musicality. It is also a goal to create an orchestra that consists of students who desire to thrive in such an atmosphere. Behavioral misconduct by students is not in line with these goals. Therefore, CYSO has a zero-tolerance policy regarding the issue. Any actions deemed by the Executive Director as inappropriate may result in that member being expelled from CYSO. CYSO has a zero tolerance policy regarding hate speech, violence, or discrimination of any kind. If any of these behaviors are exhibited, the student will be dismissed immediately. **Any disrespect shown to a CYSO administrator or staff member will result in possible dismissal from the CYSO organization.**

ATTENDANCE POLICY

The CYSO conducting staff will offer any assistance it can in resolving scheduling conflicts or in reaching a compromise that is acceptable to both parties. You must provide your conductor with one week's notice to attempt to work out a resolution, and remember that compromise requires flexibility from all parties involved. CYSO conducting staff will discuss absences only with the orchestra member and his/her parent or guardian.

Absences due to illness or emergency must be reported to the conductor of the student's assigned orchestra *in advance of* the beginning of the missed rehearsal. Conductor emails can be found on our website

ALL MATTERS PERTAINING TO STUDENTS' ATTENDANCE AND PERFORMANCE IN THE STUDENT'S ASSIGNED CYSO ORCHESTRA SHOULD BE DIRECTED TO THE CONDUCTOR OF THE STUDENT'S ASSIGNED ORCHESTRA. PLEASE DO NOT CONTACT THE CYSO OFFICE CONCERNING ABSENCES. YOU MUST EMAIL YOUR CONDUCTOR!

REHEARSAL INFORMATION

CYSO WILL TOLERATE NO CELL PHONE USE DURING REHEARSALS OR CONCERTS.

Rehearsals are held on Monday evenings at **Colorado's Finest High School of Choice, located at 300 W. Chenango St, Englewood CO.**

- **Debut String Ensemble** rehearses from 6:30pm to 8:00pm.
- **Philharmonia** rehearses from 6:30pm to 8:30pm.
(Strings only from 7:30-8:30. Winds go to Wind Ensemble rehearsal during this time)

(Strings only from 7:30-8:30. Winds go to Wind Ensemble rehearsal during this time)
- **Wind Ensemble** rehearses from 7:45-8:30 pm

Snow Days are rare. Rehearsals are only canceled under extreme conditions. **If anything is changed or canceled, it will be on the website and you will receive an email from the CYSO office.** Because members come from all along the Front Range, driving conditions vary enormously, and families and members must judge what is safe for their circumstances. If you choose not to attend a rehearsal due to bad weather, **you must communicate with your conductor, NOT the CYSO office.**

Parents are responsible for knowing the schedule—check the website weekly. Please bring your music, music stand, and a pencil to every rehearsal. You should arrive early enough to sign-in on the attendance sheet, set up, and warm up (you should give yourself at least 15 minutes).

Music is available on our website. **Students have the responsibility of downloading and printing the music from the website—music will not be sent out via email, nor will CYSO staff bring music to rehearsal. All students must print and bring their music to each rehearsal.** Please be especially aware of this fact when we start new music. Any questions regarding the music must be directed to Kirby Brayman, librarian, at cysokirby@gmail.com.

Arriving at rehearsal on time and with the proper equipment is only the first step. The CYSO has relatively few rehearsals per concert segment, so it is imperative that members use their own time to learn and practice their parts. Expect to spend all the time you need each week preparing your part for the upcoming rehearsal, and work out technical problems with your private teacher in advance so that Monday rehearsals can be a time for shaping interpretation with the whole ensemble. Players who appear to be inadequately prepared on a regular basis may be re-seated or dismissed from the orchestra. This decision will be made by the conductor. Decisions of the conductors are final.

ORCHESTRA AUDITIONS AND CHAIR TESTS

Orchestra Auditions: Auditions are formally held each spring by video and throughout the year for new applicants. Members re-audition for their seats yearly in May. Notification of acceptance is made by email. Auditions take place via video and consist of a short 2-3 minute selection of your choice. Auditions are unaccompanied. Memorization is not required.

Prospective players may audition year-round via video.

Chair Tests: These auditions are submitted via video once a year in September and usually consist of music that is being prepared by the orchestra. If a student does not submit a video, they will be seated at the back of their section. The conductor has the right to move a student anywhere in the section they feel is appropriate. The decision of the conductor is final. There are no exceptions. **ALL CYSO STUDENTS SHOULD PARTICIPATE IN CHAIR TESTS!**

Note: Seating changes in any section may be made by the conductor at any time! All decisions are final and may not be appealed.

CONCERTS
